SOA Weekly Update

- The Cancer Cure Classic V has been scheduled for Sunday, April 1<sup>st</sup>, at the Raven Golf Club at Sandestin. Lunch will begin at 11 am (provided by Jim 'N Nick's and Acme Oyster House) with a shotgun start at 12 pm. This is a four person scramble with the cost of \$100 per player. Many prizes to be awarded! If interested please call Rueben Deese at (850) 267-6353 as soon as possible. If you have questions, please email Rueben at [ruebendeese@sandestin.com](mailto:ruebendeese@sandestin.com).
- There have been recent incidences in which personal items have been taken from unlocked vehicles. Please remember to lock your vehicle doors and do not leave valuables in plain view. With spring break upon us, we believe these incidences could be linked to juvenile mischief and Security is vigilant for such activity in order to do what they can to prevent future occurrences.
- The Lakes Committee held a meeting this week to discuss the status of the lakes and alternate ways to control algae. Kyle explained to the Committee that the challenge in controlling algae is that the chemicals available to kill algae will also endanger the wildlife in our lakes so he continues to research alternate management tools. Full notes from this meeting and various Committee meetings are available on our website at [www.sandestinowners.com](http://www.sandestinowners.com), Community menu, Committees page.
