Believe it or not – we will soon start seeing Christmas decorations being installed on SOA common property! Yes that’s right, Christmas lights! Although the lights will not be illuminated until Thanksgiving weekend – there are over 1,200 sets to be installed on the trees alone! On the same subject – the Owner White Light Competition Entry Forms will be available on the web next week. Please complete a form and return it to the SOA office to ensure your display is not overlooked by the judges. Judging is scheduled for Friday, December 14th.

Come see the Baytowne Boogie Art Car Weekend! Colorful cars from all across the country will parade down the streets of the Village of Baytowne Wharf on Saturday, November 10th at 3 pm. Decorating will range from life-size animals to funny faces to fruits. Owners are invited to join in the parade fun by entering their decorated golf cart or club car! If interested in registering or you need more information, please contact the Village of Baytown Wharf office at (850) 267-8180.

The SOA will hold its annual Advisory Board Meeting on Wednesday, October 17th. Neighborhood Presidents should plan on attending to receive SOA operational updates, a review of the 2008 approved budget as well as the Board of Directors election results.
