SOA Weekly Update

>At the February Advisory Board meeting, neighborhood presidents/representatives were provided a Committee Suggestion form to complete and return to the SOA. We would like to thank those that responded – overall some great suggestions and valid concerns were received! Completed forms were received from 13 neighborhoods out of 28 in attendance. If you have a suggestions or concern for any of the SOA Committees, please email it to soa@soaowners.com and we will forward it to the appropriate committee.
