SOA Weekly Update

- ➔ All ad space for the SOA Directory has been sold and therefore, we are no longer accepting requests. The SOA would like to thank everyone who responded to the Directory Advertising opportunity. The 2008/2009 Directory is scheduled to print in mid-June and a copy will be mailed to each owner's home mailing address.
- ➔ If you have not submitted your name and phone number to be included in the SOA Directory, please do so today! Be advised that the Sandestin Owners Club (SOC) is also requesting information from their members at this time for a club member directory. Information submitted to the SOA or the SOC cannot be shared between the entities. SOA information should be submitted on a "Response Card" or via the internet at:
- ➔ <http://sandestinowners.com/soadirectory.html>, requesting your name, Sandestin address, phone number and email address. The SOC information request is on a full sheet of paper.
