SOA Weekly Update

- ➔ The SOA would like to thank all of the many volunteers and participants that came out last Saturday to help make this year's Bill Dowdle Fishing Rodeo a great success! There were over 145 participants and over 65 fish caught!

- ➔ Did you know you that when traveling on your golf cart, you can avoid the traffic on Heron Walk Drive by taking the service road that runs from Baytowne Ave to Horsehoe Bayou Parking Lot.

- ➔ Click on the link below to view the latest Homeowner Specials – recently added is a 90-day Preview Burnt Pine Golf Club Membership.
