SOA Weekly Update

- ➔ Visitors wishing to access the resort to attend the Emerald Coast Blue Marlin Classic from today through Sunday will be directed to park in the Horseshoe Bayou Parking Lot or at alternate off-site parking. There will be no automobile parking available at the Marina and limited golf cart parking. If you are expecting a guest at your home, please be sure to call (850)267-5000 in order to avoid delays at the gate.
- ➔ Representatives from the SOA Beach Committee, Traffic Safety Committee and Intrust have met to discuss the various incidents that reportedly occurred on the beach over the Memorial Day weekend. Intrust representatives have assured the SOA that the incidents are being taken very seriously and measures will be taken to help prevent these occurrences from happening again.
- ➔ Northwest Florida Water Management District (NFWMD) and FEMA will hold two public workshops to review Digital Flood Insurance Rate Maps being prepared by Walton County and its surrounding cities. Once these new maps are adopted, they will be used to determine flood hazard areas for flood insurance purposes. NFWMD & FEMA Staff will be available to take comments and answer questions. The workshops are scheduled for Monday July 7th at 5:30 pm at the South Walton Annex and Tuesday, July 8th at the Community Center on 10th St., DeFuniak Springs.
- ➔ The SOA Board of Directors Nomination Application will be available beginning Tuesday, July 1st on our website www.sandestinowners.com or at the SOA office. If you would like a copy mailed or faxed to you, please email <mailto:soa@soaowners.com>
