Weekly Update

- ➔ The SOA Architectural Review Board (ARB) is accepting applications from interested homeowners to fill two seats that will begin January 2009 and serve a two year term. Completed applications must be received in the SOA office prior to close of business on September 30th. For more information regarding the ARB's responsibilities and processes, visit our website home page, Latest News" column, or click on this link: <http://www.sandestinowners.com/HomeLinks/ARBOpen08.pdf>
- ➔ Please be advised that the SOA is currently working with Cox Communications to discontinue services to those homeowners that are delinquent in paying their SOA assessments. Both parties are working diligently to ensure all contractual agreements are upheld as well as FCC regulations; however, we feel certain this process will move forward and cable services will be disconnected to those that are delinquent within the next 10 days.
