SOA Weekly Update

- Due to salt water intrusion at the Club Drive pump station, this pump has been shut down. The SOA management is currently doing everything possible to correct this problem. Irrigation will remain unavailable for the neighborhoods on the west side of Baytowne Ave loop (From the Vineyards to Bay Pines), Baytowne Village Drive, and portions of Club Drive. The pump will be turned on as soon as SOA management is able to determine that the salinity level is safe to irrigate. We appreciate your patience.
- The 2008/2009 Owners Directory was recently mailed to all owners. In the beginning of this year, we sent a letter and Response Card to all owners asking them to complete the card and return it to our office by the end of April or respond via our website in order to have your name and number listed. If you are not listed in this issue, it is because we did not receive a response from you. A new Directory will be printed in 2010 and the same process will be followed. If you did not receive a copy of the Directory, please email <mailto:soa@soaowners.com> and we will mail you a copy.
- This is a reminder that the SOA Architectural Review Board (ARB) is accepting applications from interested homeowners to fill two seats that will begin January 2009 and serve a two year term. Completed applications must be received in the SOA office prior to close of business on September 30th. For more information regarding the ARB's responsibilities and processes, visit our website home page, Latest News column, or click on this link:

- Please be advised that the US Post Office located at the Market Shops has closed.
- This weekend, the Village of Baytowne Wharf will host the Ultimate Air Dog Southern Championship. Dogs will run down the dock and splash into the lagoon demonstrating a variety of jumps! The shows begin at 5:30 pm on Friday, 10 am on Saturday, and 11 am on Sunday. For more information, please call the events hotline at (850) 267-8117.
