Pre-Board Meeting Presentations

With communication being the top priority of the membership and the Board of Directors, the Board has instituted a procedure in which any SOA member can speak to the Board of Directors prior to the call of order of the monthly Board meeting.

The Board will reserve 15-20 minutes prior to calling the meeting to order for any member of the Association to present their issue or concern within a 3-4 minute time frame. This is not intended for nor should the member expect immediate answers; however the issue presented will either be forwarded to the respective committee for further research or the Board will respond following the meeting.

The Board of Directors meeting schedule is on the website www.sandestinowners.com under the Community menu, Calendar page. Please check the Calendar page prior to the meeting for location of the meeting and to verify that the date has not changed as occasionally there are changes to the schedule.
