

New at Baytowne Marina – Homeowner Dock Use Day Pass

Baytowne Marina is a private facility, and drop-offs or pick-ups are not permitted under normal circumstances. However, we're excited to offer a new, owner-exclusive program for homeowners who keep their boats elsewhere but would like to use the Marina for guest and family pick-up or drop-off.

Program Overview:

The Dock Use Day Pass provides same-day dock access with 48 hours' advance notice to verify homeowner status.

Details:

- **Paid access for same-day use only**
- **Non-refundable and non-transferable**
- **Optional daily golf cart pass available**
- **Charges billed to your resort account or paid by credit card in the homeowner's name**

Important Notice:

Unauthorized dock or golf cart use will be considered theft of services under Florida Statute §812.014 and may result in prosecution and loss of privileges.
